Profile

DESIGNER

Creative Graphic Designer with a background in UI/UX design and experience creating engaging digital designs, marketing materials, social media creatives, and brand assets. Skilled in Adobe Photoshop, Illustrator, Figma, and Canva, with a strong understanding of visual hierarchy, typography, and user-centered design. Dedicated to delivering high-quality, impactful designs that enhance brand identity and user engagement.

Professional Experience

Junior UI/UX Designer | Pokak Technologies | June 2025 – Present

- Designed intuitive and visually engaging user interfaces for web applications.
- Designed and company website interfaces to enhance usability and visual consistency.
- Created and improved internship-related UI sections for better user engagement and clarity.
- Worked on a company billing web application, focusing on clean layout and user-friendly workflows
- Designed education platform interfaces for both web and mobile, ensuring consistency across devices.
- Edited and refined prototypes for projects including Bricks & Mix (web and mobile) and supermarket applications.
- Guided and mentored interns, helping them understand UI/UX fundamentals and workflows.
- Developed wire-frames, user flows, and interactive prototypes in figma.
- Applied responsive design principles to ensure seamless cross-desice experience.
- Improved usability through structured layouts and interaction design.
- Contributed to end-to-end design processes from wire-framing to final UI delivery.

Internship | Zoople Technologies | Oct 2024 – Dec 2024

- Designed posters brochures, logos, mobile apps, and web interfaces, focusing on responsive accessible design.
- Collaborated with developers to ensure design feasibility and consistency.
- Designed intuitive and visually appealing user interfaces for web applications.
